DETAILED ACTION

Remark

1. Claims 1-30 have been cancelled, and claims 31-45 are newly added. Since claims 31-45 are now being narrowed to the claims that were reversed on appeal, which determined by the Board of Appeals and Interferences, claims are now in condition for allowance.

Allowable Subject Matter

2. Claims 31-45 have been allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Regarding claim 31; and an article storing instructions, if executed, enable a processor to perform those steps as cited in claim 39, the prior arts of record fails to teach or suggest each and every feature of the present invention for a method comprising: selecting other information by accessing a particular location on a frame of video being played back; automatically pausing the video playback when the other information is accessed by selecting a location on the frame; providing the other information while said video playback is paused; and automatically resuming the playback of said video when the other information is no longer being accessed

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
